Home warranty that you can stand behind.

Most transparent service contract in the industry. Armadillo covers many of the small and big things that others don't.

Typical Home Warranty

More pages doesn't mean more coverage. More pages means more exclusions and more reasons to deny claims.

Armadillo's Home Warranty

3 page contract - straight forward and painless.

Unprecedented experience for your clients.

We took a simple truth that dealing with the stuff that breaks in your clients' home should be hassle-free. Armadillo is a technology company that makes requesting a repair and resolving the issue streamlined, easy, and at homeowners' fingertips.
